Revolutionizing EYOS's operations with StoryBoom AI, an 80% decrease in time spent on process and manual work was achieved.

## **\*\*Introduction\*\***

Borek Solutions Group, an AI development powerhouse, teamed up with EYOS, a leading firm in its industry, to tackle the challenge of improving and automating their operations. The result was a game-changing AI tool, StoryBoom AI, that significantly enhanced EYOS's process for creating case study documents, leading to an 80% decrease in time spent on the process.

## **\*\*Background\*\***

EYOS, a well-established company in its industry, was on the hunt for innovative solutions to enhance its operations. They turned to Borek Solutions Group, known for their proficiency in AI development, to provide a solution. Borek Solutions Group saw this as an opportunity to showcase their expertise in AI development and set out to create a product that would revolutionize the way EYOS conducts business.

## **\*\*Challenges\*\***

- EYOS needed to innovate and improve their operations.
- The process for creating case study documents was time-consuming and required a significant amount of manual work.

#### **\*\*The Solution (Provider's Perspective)\*\***

Borek Solutions Group developed StoryBoom AI, a solution designed to meet the unique needs of EYOS. This AI tool was crafted with the objective of enhancing EYOS's operations through advanced AI technology, particularly by automating and accelerating the process of creating case study documents.

#### **\*\*Implementation & Collaboration (Process)\*\***

The implementation of StoryBoom AI at EYOS was a collaborative effort between both companies. Borek Solutions Group worked closely with the client to ensure that the solution was tailored to their needs and integrated seamlessly into their existing systems. Despite facing some challenges during the implementation, effective communication and teamwork led to the successful roll-out of StoryBoom AI.

#### **\*\*Results & Impact\*\***

The introduction of StoryBoom AI had a significant impact on EYOS's operations. The AI tool led to an 80% decrease in time spent on the process of creating case study documents and a similar reduction in manual work. This streamlined process has transformed the way EYOS operates and has made StoryBoom AI an integral part of their team.

## **\*\*Customer/Client Reflection\*\***

The StoryBoom AI Project, delivered by Borek Solutions Group, was an exceptional collaboration that brought significant improvements to our operations at EYOS.
