## **\*\*Hero Statement / Banner\*\***

- Borek Solutions Group and EYOS collaborated to develop StoryBoom AI, an innovative solution that reduced time spent on case study creation by 80% and transformed EYOS's operations.

## **\*\*Introduction\*\***

- Borek Solutions Group, an AI development company, partnered with EYOS, a leading firm in their industry, to create an AI tool, StoryBoom, to streamline their operations. The collaboration led to a significant reduction in manual work and time spent on case study creation, revolutionizing EYOS's business.

## **\*\*Background\*\***

- EYOS, a well-established company in its industry, was seeking innovative ways to improve their operations. They approached Borek Solutions Group, known for their proficiency in AI development, to provide a solution. Borek Solutions Group accepted the challenge, seeing it as an opportunity to showcase their expertise in AI development and create a product that would transform EYOS's business.

## **\*\*Challenges\*\***

- EYOS needed a solution to streamline their process for creating case study documents.
- The company sought to significantly reduce manual work and time spent on this process.
- EYOS was looking for a tool that could become an integral part of their operations, like a virtual

colleague.

#### **\*\*The Solution (Provider's Perspective)\*\***

- Borek Solutions Group developed StoryBoom AI, a solution tailored to meet EYOS's unique needs.
- While the specific features of StoryBoom AI were not detailed, it was designed with the objective of enhancing EYOS's operations through advanced AI technology.

#### **\*\*Implementation & Collaboration (Process)\*\***

- The implementation of StoryBoom AI at EYOS was a collaborative effort between both companies.
- Borek Solutions Group worked closely with EYOS to tailor the solution to their needs and integrate it seamlessly into their existing systems.
- Despite facing challenges during the process, effective communication and teamwork enabled the successful roll-out of StoryBoom AI.

#### **\*\*Results & Impact\*\***

- The introduction of StoryBoom AI led to an 80% decrease in time spent on the case study creation process.
- The tool significantly reduced manual work, streamlining EYOS's operations.
- The success of the project demonstrated the potential of StoryBoom AI to transform business operations.

#### **\*\*Customer/Client Reflection\*\***

- "The StoryBoom AI Project, delivered by Borek Solutions Group, was an exceptional collaboration that brought significant improvements to our operations at EYOS. As a marketing specialist, I experienced firsthand the transformation of our process for creating case study documents. The automation and acceleration brought by StoryBoom AI led to an 80% decrease in time spent on the process and a similar reduction in manual work. The project was not without its challenges, but the

results were undeniably valuable. It's not an exaggeration to say that StoryBoom AI has become like a virtual colleague for us."

**\*\*Testimonial/Provider Reflection\*\***

- "Working with EYOS on the StoryBoom AI project was a game-changer for us. Our expertise in AI development and dedication to understanding our client's needs resulted in a solution that has significantly improved their operations."
